

JEEVAKA

A documentary titled, “Jeevaka” was created by the students of Social Sciences as an extension activity documenting the local ecological areas. The members of the team included Priya, Amna, Ajulal, Devika and Akhil from I MA. The team studied the Nature Conservation Project (JEEVAKA and MIYAWAKI) of Mahatma Gandhi University campus. The 10 minute documentary studies the local ecologically important zones of the campus and the challenges faced in nature conservation.
